A RESOLUTION

Commending the 25x25 national campaign for agricultural energy sources; and for other purposes.

WHEREAS, American agriculture is poised to play a more important role in meeting our nation's future energy needs; and

WHEREAS, increasing America's renewable energy use will bring new technologies to market and save consumers money, reduce our dependence on oil from the Middle East, and create good new jobs in rural America; and

WHEREAS, leaders from across every sector of America's agricultural community have established the 25x25 national campaign with the stated goal of obtaining "25 percent of our energy from renewable resources like wind, solar, and biofuels by the year 2025"; and

WHEREAS, the 25x25 action plan, "Charting America's Energy Future," has been widely acclaimed as a visionary course of action for the nation; and

WHEREAS, Georgia leaders recognize the importance of developing a comprehensive alternative energy industry; and

WHEREAS, Georgia seeks to lead the nation in research and private sector investment in alternative energy technology development.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE that the members of this body commend the leadership of the 25x25 national campaign for raising the awareness of American people on the vital issues of renewable energy resources.
BE IT FURTHER RESOLVED that the Secretary of the Senate is authorized and directed to transmit an appropriate copy of this resolution to the Steering Committee of the national campaign.
